Don’t forget this travel essential!

Pack your worldwide emergency travel assistance phone number or download the Assist America Travel app and leave your worries at home.

If you experienced a medical emergency while traveling, would you know whom to call?

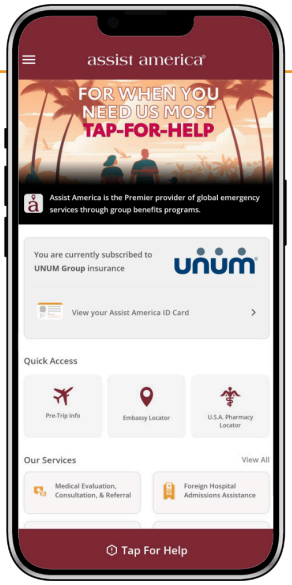

Whenever you travel 100 miles or more from home — to another country or just another city — be sure to pack your worldwide emergency travel assistance phone number. Travel assistance speaks your language, helping you locate hospitals, embassies and other “unexpected” travel destinations. Add the number to your cell phone contacts, so it’s always close at hand. Just one phone call connects you and your family to medical and other important services 24 hours a day.

Use your travel assistance phone number to access:

- Referrals to Western-trained, English-speaking medical providers
- Passport/prescription replacement assistance
- Care and transport of unattended minor children
- Lost luggage assistance
- Emergency medical evacuation
- Transportation for a friend or family member to join a hospitalized patient traveling alone

With the Assist America Mobile App, you can:

- Call Assist America’s Operation Center from anywhere in the world with the touch of a button.
- Access pre-trip information and country guides.
- Search for local pharmacies (U.S. only).
- Download a membership card.
- View a list of services.
- Search for the nearest U.S. embassy.
- Read Assist Alerts.

Download and activate the app today from the Apple® App Store or Google Play™.
