Help to find a doctor We'll do the legwork!

Our experts will identify top doctors and hospitals who meet your individual needs and personal preferences – including primary care physicians, specialists and providers for second opinions. What's important to you is important to us. We'll pinpoint the providers with the right experience and qualifications to ensure you get the appropriate care.

A Health Advocate expert can:

- **Locate qualified doctors,** dentists, behavioral health practitioners and specialists
- **Confirm** the providers are part of your medical plan's network
- **Research** the latest treatment options and where you can get them
- **Locate facilities** for tests such as xrays, MRIs, labs and more
- **Explain** your health plan's coverage for procedures
- **Find pharmacies,** including mail-order, and help you get the best price on your medications
- **Obtain approvals** for services, resolve claims issues, and address insurance questions
- **Help you prepare for your appointment**

Know before you go! Prepare personalized questions with Health Advocate's Medical Appointment Checklist.

1. Log on to your member website or app
2. Select "Additional Care Resources" from the "Health" menu
3. Scroll to Medical Appointment Checklist and click "Get Started"
