Teladoc HEALTH

Real progress starts with the right support

Discover if a GLP-1 is right for you

Ready to take control of your weight loss journey? If eligible, your Teladoc Health Condition Management program will include coaching and lifestyle tools that work. And if you meet clinical criteria, you may also be eligible for GLP-1 medication, available for direct out-of-pocket payment. GLP-1s can help enhance your progress and support lasting results.

With GLP-1 support, you can expect:

- Ongoing clinical guidance from board-certified providers
